

Sunscreen/Insect Repellent Permission Slip

As the weather gets warmer, the children will be spending more time outside. You may wish to provide us with sunscreen and insect repellent for protection while your child enjoys outdoor play.

If you would like for us to apply sunscreen/insect repellent to your child, please provide us with an unexpired bottle of both. Please make sure your child's first and last name is clearly marked on both bottles. As with any topical medication cream or spray, the first application of any brand of sunscreen/insect repellent should be applied at home in order to evaluate your child's possible allergic reaction to that product.

I, _____ give my permission for Discovery Kidz Pre-school to apply sunscreen/insect repellent to my child _____ as needed.

Permission Slip for Pictures/Videos to be used at Discovery Kidz Pre-school

Throughout the year, the teachers and office staff may take pictures/videos of the children engaged in activities and field trips. Some of these photos may be posted on our Facebook page and our website and used for marketing material as well. We think the students will be proud and excited to see themselves online and will really enjoy sharing their accomplishment with others, especially if they have family members who live out of town. Therefore we are asking you to please fill out the bottom portion of this letter and return it to the school office as soon as possible. We will never use student's last names to caption their photos.

Thank you in advance for your cooperation.

_____ Yes, I give Discovery Kidz Pre-school my permission to use my child's picture/video on Discovery Kidz Facebook page and website.
